Safety Training IS The Law!

Why Attend?

- ⚠ Because it is **THE LAW!** (OSHA 29 CFR 1910.178)
- ⚠ Avoid accidents that can result in serious injury or death
- ⚠ Possibly reduce insurance premiums
- ⚠ Minimize liability exposure
- ⚠ Reduce product and property damage
- ⚠ Satisfies safety meeting requirement
- ⚠ Correct bad habits before they become lo\$\$e\$
- ⚠ Increase the safety of your workers
- ⚠ Avoid fines, penalties, equipment confiscation & arrest!
- ⚠ Professional OSHA Certified Instructors
- ⚠ Required Certificate and Wallet Card issued upon successful course completion
- ⚠ Re-certification and Refresher courses discounted (must provide proof of original certification)
- ⚠ Add-on modules available (avoiding product damage, attachments)
- ⚠ Classes done at your place or ours. We hold classes based on YOUR needs, whether it's one operator or a hundred! Bi-weekly walk-in classes available (call for schedule)

Who Should Attend?

- ⚠ ANYONE who operates a company lift truck or electric pallet jack
- ⚠ Any operator not certified in the past three years
- ⚠ Any operator involved in a lift truck accident
- ⚠ Anyone operating equipment they have not been trained to operate
- ⚠ Plant managers and supervisors
- ⚠ New Hires

Topics Covered

- ⚠ OSHA regulations
- ⚠ What is a professional?
- ⚠ Lift truck fundamentals
- ⚠ Principles of balance, stability and capacity
- ⚠ Pre-operational inspection
- ⚠ Safety guidelines for operating lift trucks
- ⚠ Safe load handling techniques
- ⚠ Fueling I/C trucks, batteries
- ⚠ Documentation in the event of accident or hazard
